Excess Management Liability Solutions

Intended to follow the underlying policy(s) in a layered program, excess policies are the building blocks that make up the towers of D&O and other Management Liability protection.

ORUG-91 is our excess policy form for public company and private company policyholders.

*

Policy Highlights (ORUG-91)

- One-page streamlined follow-form contract.
- Market-leading erosion language for underlying policy limit and sub-limit.
- Ability to follow or match sub-limited coverage, such as Shareholder Derivative Demand Investigations.
- Can be used for public or private company excess on either a monoline basis or a
 multi-line basis, using our Excess Flex™ endorsement, which identifies and
 follows the varied coverages usually provided in private company management
 policies.
- The Excess Plus™ endorsement creates broadened terms for non-indemnifiable loss within a "traditional" excess D&O layer.

Capacity: Up to \$15,000,000

Attachment: No minimum attachment
